Dr-LIV

SYRUP

Each 5 ml contains:

Cyproheptadine Hydrochloride 2 mg

Tricholine Citrate (65%) 275 mg

Sorbitol Solution (70%)

Manages anorexia nervosa: Helps to manage anorexia nervosa and **regain normal eating habits.**

Improves liver function: Tricholine citrate, a bile acid binder, is a hepatoprotective agent that **removes excess bile acids.** It prompts the liver to produce more bile from cholesterol, which **helps lower fat content** and supports **overall liver health.**

Promotes weight gain: By **increasing appetite** and **food intake**, the medication helps promote **healthy weight gain** in all age group.

Relieves allergic reactions: The Cyproheptadine component is an **antihistamine** that can treat allergic symptoms like **itching, hives** and **hay fever.**
